TABLE OF CONTENTS

CHAPTER 1	THE FAIRFAX COUNTY SPECIAL INSPECTIONS PROGRAM	1
Introduction	1	
The Special Inspections Engineer of Record	3	
CHAPTER 2	DEFINITIONS AND ABBREVIATIONS	5
SIFC-201.0 Definitions	5	
SIFC-202.0 Abbreviations	9	
CHAPTER 3	SPECIAL INSPECTIONS CLASSIFICATIONS	11
SIFC-301.0 General	11	
Building Elements		
Existing Buildings and Structures		
SIFC-302.0 Special Inspections Required	11	
Structural Steel Construction		
Cast-in-Place Concrete Construction		
Precast Concrete Construction		
Masonry Construction		
Wood Construction		
Soils and Foundations Construction		
Earth Retention Systems Construction		
Exterior Insulation and Finish Systems (EIFS) Construction		
SIFC-303.0 Elective Special Inspections	14	
Sifc-304.0 Statement of Special Inspections	14	
Content		
Submittal, Review and Approval		
SSI Form		
CHAPTER 4	FCCSS PRECONSTRUCTION MEETING	21
SIFC-401.0 Purpose	21	
SIFC-402.0 When Required	21	
SIFC-403.0 Participants	21	
SIFC-404.0 Procedural Requirements	22	
Scheduling of Meeting		
Location of Meeting		
Use of Special Inspections Document		
FCCSS Approval of Statement of Special Inspections		
CHAPTER 5	SPECIAL INSPECTIONS AND TESTING SERVICES	23
SIFC-501.0 Procedural Requirements	23	
General		
Review and Approval		
Changes in Construction Team		
SIFC-502.0 Roles and Responsibilities	23	
Special Inspections		
Approved Documents		

SPECIAL INSPECTIONS: Implementation in Fairfax County/1996

Deviations	
Special Inspection Reports	
Code Violations	
Job Site Safety Violations	
SIFC-503.0 Personnel Qualifications	25
Direct Supervision	
Certification	
Unusual Functions	
SIFC-504.0 Laboratory Acceptance Standards	26
CHAPTER 6 STRUCTURAL STEEL	27
SIFC-601.0 General	27
Scope	
Steel Fabrication	
Steel Erection	
SIFC-602.0 Fabrication and Erection Documents	27
Review and Approval	
Preparation of Fabrication and Erection Documents	
SER Review and Approval	
SIFC-603.0 Inspection of Steel Fabricators	28
Steel Fabricators	
Fabrication Procedures	
SIFC-604.0 Inspection of Steel Elements	29
Material Receiving	
Erection	
SIFC-605.0 Completion of Structural Steel Construction	31
CHAPTER 7 CAST-IN-PLACE CONCRETE	33
SIFC-701.0 General	33
Scope	
Construction Loads	
Posting of Concrete Pour Schedule	
SIFC-702.0 Fabrication and Erection Documents	33
Review and Approval	
Seal and Signature Requirements	
Formwork Design Requirements	
SER Review and Approval	
SIFC-703.0 Inspections	35
SIFC-704.0 Testing	36
Testing Required	
Under-Strength Concrete Test Results	
SIFC-705.0 Concrete Formwork: Stripping and Reshoring	37
Operations	
FCCSS Approval Required	
Requests for Formwork and Shoring Removal (Stripping Letter)	
Under-Strength Concrete	
Elongation Records	

TABLE OF CONTENTS

SIFC-706.0 Cold Weather Concreting	38
When Required	
Temperature Readings and Records	
Testing of Field-Cured Cylinders	
SIFC-707.0 Completion of Cast-in-place Concrete Construction	39
 CHAPTER 8 PRECAST CONCRETE	43
SIFC-801.0 General	43
Scope	
Precast Concrete Fabrication	
Precast Concrete Erection	
SIFC-802.0 Fabrication and Erection Documents	43
Review and Approval	
Preparation of Fabrication and Erection Documents	
AR and SER Review and Approval	
SIFC-803.0 Inspection of Precast Concrete Fabricators	44
SIFC-804.0 Inspection of Precast Concrete Elements	44
Site-cast Precast Concrete	
Erection	
SIFC-805.0 Completion of Precast Concrete Construction	45
 CHAPTER 9 WOOD	47
SIFC-901.0 General	47
Scope	
Wood Fabrication	
Wood Erection	
SIFC-902.0 Fabrication and Erection Documents	47
SIFC-903.0 Inspection of Wood Fabricators	47
SIFC-904.0 Inspection of Wood Elements	47
SIFC-905.0 Completion of Wood Construction	47
 CHAPTER 10 MASONRY	49
SIFC-1001.0 General	49
Scope	
Loads	
Protection During Construction	
SIFC-1002.0 Fabrication and Erection Documents	49
SIFC-1003.0 Inspections	49
SIFC-1004.0 Cold-weather and Hot-weather Construction	49
Cold Weather	
Hot Weather	
Temperature Records	
SIFC-1005.0 Completion of Masonry Construction	50
 CHAPTER 11 SOILS AND FOUNDATIONS	51
SIFC-1101.0 General	51
Scope	

Soils Report	
SIFC-1102.0 Fabrication And Erection Documents	51
Review and Approval	
Preparation of Fabrication and Erection Documents	
SIFC-1103.0 Soils-related Deviations And Revisions	51
Review and Approval	
Preparation of Revisions	
SIFC-1104.0 Inspections	52
Soils	
Deep Foundations	
Shallow Footings and Foundations	
SIFC-1105.0 Completion of Soils And Foundations Construction	53
Soils	
Deep Foundations	
Shallow Footings and Foundations	
CHAPTER 12 EARTH RETENTION SYSTEMS	55
SIFC-1201.0 General	55
SIFC-1202.0 Construction Documents	55
Review and Approval	
Preparation of Construction Documents	
Sifc-1203.0 Fabrication And Erection Documents	55
Review and Approval	
Preparation of Fabrication and Erection Documents	
SIFC-1204.0 Inspections	56
Special Inspections Required	
Inspection Reports	
Deviations	
SIFC-1205.0 Completion of Earth Retention System Construction	56
CHAPTER 13 PROTECTION OF THE PUBLIC	59
SIFC-1301.0 Site Fencing	59
SIFC-1302.0 Virginia Occupational Safety And Health Administration	59
SIFC-1303.0 Construction Safety For Masonry Walls	59
SIFC-1304.0 Tower Cranes	60
General	
Documents	
Inspections	
Safety Rules and Regulations	
CHAPTER 14 OTHER PROVISIONS	63
SIFC-1401.0 The Structural Engineer of Record Review And Approval Stamp	63
SIFC-1402.0 On-site Concrete Batch Plants	66
Scope	
Inspections	
SIFC-1403.0 Fire Protection	66
Fire Extinguishers	

TABLE OF CONTENTS

Standpipes	
SIFC-1404.0 Occupancy Requirements For New Buildings and Alterations to Existing Buildings	67
Non-Residential Use Permit	
Non-RUP Procedural Requirements	
SIFC-1405.0 Fire Protection And Safety Requirements For Partially Occupied Building	70
General	
Material Storage	
Fire Suppression System Requirements	
Special Cases	
 CHAPTER 15 EXTERIOR INSULATION AND FINISH SYSTEMS	73
SIFC-1501.0 General	73
Scope	
EIFS Fabrication	
EIFS Erection and Application	
SIFC-1502.0 Construction Documents	73
Review and Approval	
Preparation of Construction Documents	
SIFC-1503.0 Fabrication and Erection Documents	74
Review and Approval	
Preparation of Fabrication and Erection Documents	
SIFC-1504.0 Inspection of EIFS Fabricators	74
SIFC-1505.0 Inspection of EIFS Elements	74
SIFC-1506.0 Completion of EIFS Construction	75
